What is Philippine Startup Week 2022?

Philippine Startup Week 2022 (PHSW22), with the theme, "Homegrown Heroes: Cultivating Future Tech Giants", brings together the local startup community during a 5-day conference, happening on November 14-18, 2022. It sets out to tackle sustaining the growth of the local startup scene while forging long-term partnerships, investments, and collaboration to take the ecosystem a step further.

After two years online, PHSW22 is finally going hybrid!

**60+ Online
Events**

**160+ Virtual
Booths**

**20+ Onsite
Events**

150+ Speakers

**4 Night
Fests**

100+ Startups

Made possible through the partnership between the DICT, DOST, DTI and QBO Innovation Hub.

Onsite events are back this year!

While most of PHSW22 events will still be hosted online and can be accessed through Acelevents, some of the events will be conducted on either onsite and/or hybrid setup—combining both in-person and virtual experiences.

If you want to attend these onsite/hybrid events, please take note of the RSVP forms that you need to fill out before proceeding to the venue.

Important Reminder: COVID-19 Precautions

The Philippine Startup Week Organizing Team is committed to protecting persons attending in-person events. All in-person events are hosted in accordance with the mandated health and safety policies (i.e., attendance limits, social distancing, mask requirements, etc.). As such, COVID-19 restrictions shall apply to all onsite PHSW22 community events.
